

## LED Linear LED HighBay

Part No: MLLG-LED-LNHB1-[Watts]-[Color]-[Option] 1048

Replaces: 750W Metal Halide

### Specifications

Type	LED High Bay Lights - LED Warehouse Lighting
Wattage	110-220
CRI	80+
Lumens	12,990-29,370
Lumen Per Watt	up to 133
Beam Angle	120°
Life Hours	50,000 hours
Replaces	750W Metal Halide
Working Voltage	100-277V [D]
Frequency	50/60 hz
Power Factor	.95
THD	< 15%
Operating Temperature	-40°C to +50°C
Operating Temperature	-40°C to +50°C
Dimmable	No
Warranty	5 years

### Options

Lens [-L]
6 Foot Power Cord [-PC]
Motion Sensor (On/Off or Bi-level) [-MS]

### Features

Our LED Linear High Bay replaces up to 700W Metal Halide wins in life rating, wattage savings, payback and CRI perfectly designed for warehouse lighting applications
Up to 133 lumens/watt
V Hook and Mounting Chain Included
UL 2459/CSA 182.3 Power Connector Included
