

LED Linear HighBay - High Performance

Part No: MLLG-LED-LNHB2-[Watts]-[Color]-[Option] 1055

Replaces: 400W Metal Halide

Specifications

Type	LED Linear High Bay
Wattage	110-160
CRI	80+
Lumens	13,275-22,020
Lumen Per Watt	up to 137
Color Temperature	4000K 5000K
Life Hours	50,000 hours
Replaces	400W Metal Halide
Working Voltage	100-277V [D]
Frequency	50/60 hz
Power Factor	.95
THD	< 15%
Beam Angle	120°
Operating Temperature	-40°C to +50°C
Dimmable	0-10V Optional
Dimensions	depends on model
Warranty	5 years

Options

Lens [-L]
Power Cord [-PC]
Motion Sensor (on/off) - [-MS]
Emergency Battery Backup (-EM)

Features

Our LED Linear High Bay replaces up to 400W Metal Halide with the same life rating, wattage savings, payback and CRI perfectly designed for warehouse lighting applications
Up to 137 lumens/watt
V Hook and Mounting Chain Included
UL 2459/CSA 182.3 Power Connector Included
